VOO DOO BULBS

Very simple culture. Pot indoors now or outside after frost is past. They flower first and then large tropical foliage follows. No special treatment needed and not bothered by pests. Flower is huge and its color is chartreuse with purple - brown spots. It has an exotic red tongue. Monstrous bulbs 50¢, 5 for \$2.00 or 13 for \$4.00.

BEGONIAS

Our special double camellia strain is as fine as any California strain. Available in red, pink, yellow, orange, white and mixed. They love shade but do well anywhere. Very large wax-like flowers that bloom the entire season long. Start indoors or where they are to flower. 7 good bulbs \$1.00, 25 for \$3.00. 4 extralarge vigorous bulbs for \$1.00 or 10 for \$2.00.

DAHLIAS

Newest introductions - some from Europe. All are super exhibition varieties. Do not over - fertilize however. Spray when needed. Plant 5" deep. Large plants grow to at least 5 feet. Don't overlook these. We offer whole clumps and not just roots at \$1.00 each, 8 for \$5.00 and 20 for \$10.00.

LILIES

Regal lily - grows to 5' and has pure white trumpets on the inside and deep pink on the outside. Very easy culture - much simpler than most of the new hybrids. Just put the bulbs 6" deep in the ground and forget till they flower 4 months later.

Speciosum - Large reflexed lilies on strong stems late in the season. Almost as simple as the Regale lily. Speciosum Album - same but white.

Large flowering bulbs 2 - \$1.00, 7 - \$3.00 or 13 for \$5.00.

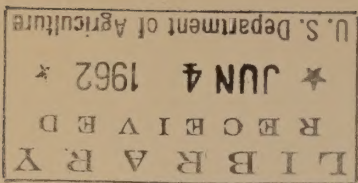

GLADIOLUS

Our easy to grow super giant gladiolus are the result of years of selection and improving. The secret of growing is to spray them every two weeks for insects. Don't overwater. Our varieties seem to glow. 24 good bulbs for \$1.00, 100 for \$3.75 and 250 for \$7.50. 15 super vigorous bulbs for \$1.00, 100 for \$5.00 and 250 for \$10.00.

"We Don't Sell Pictures"

ALTHOUGH OUR BULBS ARE AS FINE AS THE BEST OBTAINABLE, OUR PRICES ARE HONESTLY LOW BECAUSE WE DO NOT SPEND HUGE SUMS FOR ADVERTISING AND EXPENSIVE PICTURE CATALOGS. EXPENSIVE CATALOGS MAY SELL MORE BULBS BUT THEY DON'T GROW BETTER FLOWERS. WE'RE FARMERS NOT SALESMEN.
